

Pro

Complete food for dogs with normal energy needs

Husse Pro has been designed principally for professional breeders and kennels, or for any location where there are large numbers of dogs. Pro uses hydrolysed chicken as the protein source and contains necessary vitamins and minerals. Pro is a standard quality food that meets the nutritional needs of all types of dogs.

Pro is available in 20 kg bags

- Digestibility 85%
- Metabolised energy 3830 kcal

INGREDIENTS:

Wheat, wheat flour, meat meal, greaves meal, beet pulp, hydrolyzed poultry protein, animal fat, linseed, salt, vegetables, fructo- oligosaccharides.

TYPICAL ANALYSIS:

Crude protein 25%, crude fat 11%, crude ash 8.0%, crude fibre 3.0%, calcium 1.5%, phosphorus 1.0%.

ADDITIVES:

Vitamin A 15.000 IU/kg, Vitamin D3 1.500 IU/kg, Vitamin E 150 mg/kg, Copper (cupric (II) sulphate) 10 mg/kg. EC approved anti-oxidant: BHA, BHT.

1. BALANCED QUANTITY OF ANIMAL AND VEGETABLE NUTRIENTS

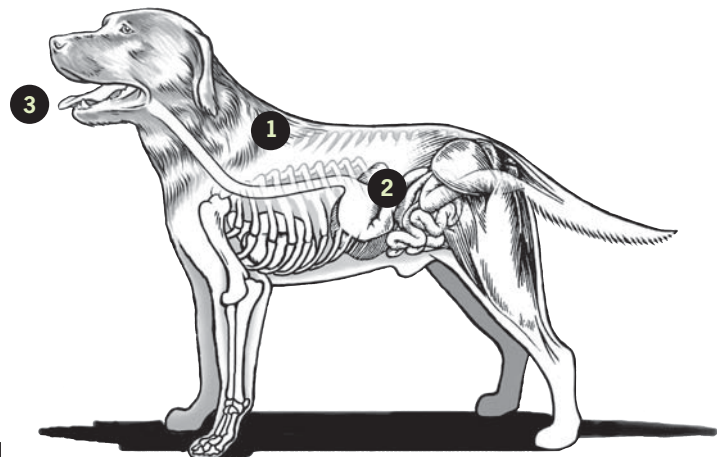

- Protein, carbohydrate and fat content have the same proportions as the corresponding Premium products in the Husse range of products

2. PROMOTES A HEALTHY STOMACH

- Rich in healthy fibres which stimulate intestinal movement and contribute to higher digestibility of nutrients, Pro improves stool texture and reduces quantity
- Contains Fructo-Oligosaccharides and yeast which favour good bacteria in the stomach

3. VERY TASTY

- Contains hydrolyzed chicken protein which gives a taste that dogs love

FEEDING ADVICE

	Weight	8 - 15 kg	15 - 40 kg	40 - 90 kg
	Quantity	27 - 17 g x kg	17 - 12 g x kg	12 g x kg

1 dl = 35 g. Recommended amount depends on your dog's age and activity levels and should be split over two meals a day. Always feed Husse dry food with a bowl of fresh water.
